

## People Make the Difference

TriSept Corporation employs the best in the information assurance (IA) field. The TriSept IA team has decades of foundational experience and insight into United States Government (USG) information assurance requirements.

Our team consistently implements IA policy to USG, including the Intelligence Community and Department of Defense headquarters-level military service organizations critical programs. The same talents are applied to Fortune 500 companies' commercial programs.

Our team possesses highly sought after certifications such as CISSP, CAP, GISP, and FITSP.

Meet Tough  
Deadlines with  
an Experienced  
Team  
Supporting  
You

## Why Choose TriSept?

TriSept is a trusted and respected member of a wide-spectrum of USG and commercial partnerships, supporting development of emerging technologies and successful mission execution of large-scale, multi-segmented national defense, intelligence, and commercial space programs.

TriSept's IA team of experts are trusted consultants and advisors to our USG and commercial industry partners, overcoming the obstacles and answering the hard-questions associated with information assurance implementation.

## Strategic Planning & Implementation

We are experts in developing information assurance strategies that conform to national-level policies while supporting organizational nuances, operational needs, and cost and schedule requirements.

We also conduct information assurance risk analyses, support system authorization/accreditation, Plan(s) of Action and Milestone (POA&M) development, assist with briefing and training requirements, and provide "Way Ahead" policies and plans for our customer base.

SMALL BUSINESS EQUALS

UNCOMMON QUALITY

TriSept Corporation is a certified small business. Why should that matter to you? Because our team is hand selected for their experience and talent to support your mission. Our employees average over 30 years of expertise in their respective fields.

**MORE EXPERIENCE**

TriSept Corporation has proudly launched over 200 satellites at 10+ launch facilities.

Put our services to the test, contact us to speak with one of our experts today at [703-953-3550](tel:703-953-3550) or online at [www.trisept.com](http://www.trisept.com)

## Information Assurance

“ Integrity must remain at our core if TriSept Corporation is to continue to innovate the future of space. ”

**ROB SPICER; FOUNDER/PRESIDENT & CEO  
TRISEPT CORPORATION**

Integrity is the cornerstone of TriSept Corporation: Striving to ensure that all of the decisions made, actions taken, and words spoken are always performed in honor, not to further corporate gain but because it is just and right.
